President's Message;

We make a difference with our services and solutions in the textile industry!

As Bitem Tekstil, we have been meeting all your needs as Design-Modeling-Cutting-Sewing-Washing-Ironing and Packaging since 1988 with the power of Bitem Group. Since 1998, we have been growing by adding happy customers to our family.

We solve all processes in textile production in the highest quality and sustainable way with the supply of high level technical and qualified labor force.

We ensure the highest level of customer satisfaction by adapting to the demands of our customers and today's conditions.

Our customers trust the Bitem brand and this motivates us.

WOMEN COLLEC

Our Collections

For more than 15 years, we have been renewing day by day with our strong infrastructure, qualified workforce and investments in new machinery and software every year, and we respond to the demands of our customers faster.

Designing and producing products for many well-known men's and women's clothing brands, Bintem serves ready-to-wear brands with its experienced design team, starting from its creative workshops.

WHAT WE DO

What makes Bintem unique is that we dedicate all our strength, especially in Women's and Men's clothing, to fulfill our customers' expectations without any problems.

We believe that Bintem production quality can be a fundamental value for customer satisfaction. We want to give you the opportunity to find products and services production quickly and easily.

MEN C

A man with a beard and short dark hair is standing on a modern staircase. He is wearing a long, tan-colored overcoat over a white t-shirt and patterned, textured trousers. He is also wearing white sneakers. The staircase has a metal railing. The background is dark, suggesting an indoor setting at night or in a dimly lit area. The overall mood is sophisticated and stylish.
